

Championing education where it counts.

# Volunteer as an Academy Champion!

Infinity Academies Trust is a family of 17 primary schools working in partnership across Greater Lincolnshire.

Our mission is to ensure every pupil is '*ready to learn and prepared to flourish*', and we know strong governance plays a vital role in achieving that aim.

We're looking for **Academy Champions** to help guide our communities.

# Championing education where it counts.

## Why become an Academy Champion?

Our Academy Champions work closely with school leaders and staff to help make our schools the best they can be. From supporting Headteachers' wellbeing to keeping an eye on what's working well, your input can make a real difference to local children.

It's also a great chance to learn more about how schools run, see the impact of your support first-hand, and build new skills along the way.

## Do I need any specific experience?

We welcome volunteers from all walks of life. You don't need to be an education expert – it's your unique skills, experiences and perspective that help us make our schools even better.

In particular, we're looking for members of the local business community, who can bring their expertise to the role.

## What does the role involve?

As an Academy Champion, you'll work alongside school leaders to help shape the school's ethos and strategy, act as a link with parents and the wider community, and keep an eye on key areas like performance and compliance.

The role includes:

- Being the public face of the school alongside school leaders
- Attending a handful of meetings and briefings
- Completing some essential training

It takes around 15–20 hours a year – a small commitment that makes a big impact.
