

Consultation Document

Consultation on the change of admissions policies for Harrowby Church of England Infant School, Little Gonerby Church of England Infant School, and The National Church of England Junior School,

This email is to notify you that Lincoln Anglican Academy Trust's (LAAT) and National and Harrowby Interim Local Board's (ILB) and Infinity Trust are seeking an in-year variation to their admissions arrangements for 2022. These changes are intended to complement their application to change the age range of the schools to become three primary schools rather than infant and junior schools. The admissions authority is seeking to adapt the school admissions policies to enact this change. The changes proposed are;

- Reduction the PAN of The National from 128 to 45
- Reduction the PAN of Harrowby Infant School to 30
- Reduction the PAN of Little Gonerby infant school to 30
- Amendment of the oversubscription criteria to remove reference to feeder schools for The National school
- Removal of sibling links between schools. Sibling priority will be awarded for those attending that primary school.
- Administrative changes to remove references to infant/Junior schools and reference primary schools.

As required by the School Admissions Code (2021) The school are consulting on these changes from 1 July 2022- 12 noon on 30 July 2022.

Please provide any responses to the consultation by contacting adminstration@laat.co.uk for National Junior School and Harrowby CE Infant School or to enquiries@infinityacademies.co.uk for Little Gonerby CE Infant School.
